

Cobb Meadow School

Application for Financial Aid 2018-2019

Cobb Meadow School provides a limited number of financial aid awards each year to those in need. Various fundraising events and gifts fund the annual financial aid awards which mean the amount we have offer each year may vary.

Anyone can apply for financial aid. While families are encouraged to apply for financial aid as early as possible because of limited funds, financial aid decisions are not made until after a student has been accepted.

Financial need is defined as the difference between what it cost to attend CMS and your family's ability to pay. Major factors in determining financial need include, but are not limited to, net income, the number of dependents, the number of children attending tuition-charging schools and the amount of aid we have available. CMS requires families receiving financial aid to re-apply each year.
